It tips in at a mere 12 ounces. But it packs a ton of real draft taste.

That's because Cold-Filtered™ Miller Genuine Draft is never heat-pasteurized, so it has a rich, smooth flavor you can't get in ordinary beers. But don't take our word for it.

Weigh the facts for yourself.

14 March 1992

Welcome to the 1992 Cable Car Awards and Show.

This evening, a San Francisco tradition continues with the presentation of our eighteenth annual awards production. You are joining the most remarkable cross section of the gay and lesbian community in a celebration honoring *Outstanding* talent, commitment and diversity our community offers. Tonight's show is presented in the memory of our mentor and founder, Bob Cramer, whose personal dedication and commitment to excellence made this all possible.

Each year, proceeds from the event are directed back into the San Francisco lesbian and gay community. This year, donations will be made to the six winners of the *Bob Cramer Award of Excellence*. The Jon Sims Center for the Performing Arts member units, the Lesbian/Gay Chorus of S.F., Ménage, the S.F. Gay Men's Chorus, Theatre Rhinoceros, and VOICES:Bay Area Lesbian Choral Ensemble. Over the last seventeen years, thousands of dollars have been contributed to health and community organizations and performing arts groups serving the San Francisco lesbian and gay community.

The Cable Car Awards and Show continues to be the largest presentation of its kind anywhere in the world, growing more popular every year. Last year, at the Fashion Center, attendance reached an all-time high of 1,100. This year, we anticipate an even larger audience as we return to the City's newest event location.

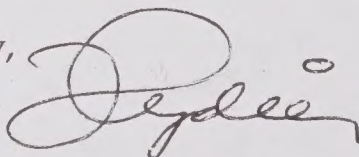

The theme of the Cable Car Awards Show is *Outstanding*, emphasizing recognition of the very best achievements in the gay and lesbian community. Through the fourteen member Board of Directors, the Cable Car Awards have become a reflection of the progress and contributions our community has made to San Francisco. The winners in many categories are selected by public vote on the night of the show. Nominating committees comprised of subject matter experts and the Board of Directors make the selections for the remaining awards.

Cable Car relies on respected experts, many of whom are former Cable Car Award winners, to determine nominees and winners in categories of men's and women's sports, outstanding community events and the performing arts. This year, community nominations also were obtained through ad placement in local publications. The Board thanks the dozens of people who took the time to submit a nomination, many of which are reflected on the following pages.

The Board also will present special Board of Directors Awards for *Outstanding* achievement tonight to the *Bay Area Reporter* on its Twentieth Anniversary and to the Grants for the Arts/Hotel Tax Fund. Entertainment throughout the evening will feature performances by the recipients of the *Bob Cramer Award of Excellence*.

Thank you for joining us on this special evening to honor and acclaim the individuals, organizations and triumphs of the lesbian and gay community that have made 1991 truly *Outstanding*!

Sincerely,

THE HARVEY MILK COMMUNITY SERVICE AWARD

The Harvey Milk Community Service Award is presented each year to the person or persons who the Board of Directors selects as most representative of a Harvey Milk. Milk was San Francisco's first elected gay official and was assassinated in his office in 1978.

Today, he still serves as a soaring symbol of gay rights and human dignity. His contribution is not forgotten by those who, this evening, will again honor Harvey Milk.

THE DOROTHY LANGSTON HUMAN RIGHTS AWARD

The Board of Directors voted to keep the memory of Dorothy Langston alive through the award presented in her name. Her death was the loss of a great humanitarian in San Francisco. She moved to San Francisco from Cleveland where in the 1960's she gained respect working to achieve liberty and justice in a city torn by race riots.

In the early 1970's Dorothy Langston's humanitarian horizons once again became a focal point as she worked not only with the black community but by becoming active in the gay movement. This year the award will again be presented to honor the legacy she left and which is not to be forgotten.

THE CABLE CAR AWARDS HALL OF HONOR

The purpose of the Cable Car Awards is to honor outstanding achievements in the gay and lesbian community. Because of their overwhelming popularity, nominees in various categories have consistently won by a significant margin. As a result, this has blocked other community contributions from being recognized. For this reason, the Board of Directors has created a *Cable Car Hall of Honor*. If a nominee should win the same category three times, they will be placed in the Hall of Honor and eliminated from competition. This procedure will serve to honor those who consistently achieve excellence in the community and provide opportunity for others to also share the recognition of being chosen as the recipient of a Cable Car Awards.

The Board of Directors congratulates this year's inductees to the Cable Car Awards Hall of Honor.

BOB CRAMER AWARD FOR EXCELLENCE

Bob Cramer, Cable Car Awards founder, dedicated over twenty years of his life to serving the lesbian and gay community. His standard of excellence in all he did remains unsurpassed. After he was lost to AIDS, the board of directors established an award in his name to recognize that same dedication.

RECIPIENTS SAN FRANCISCO'S LESBIAN & GAY PERFORMING ARTS ORGANIZATIONS

Tonight we honor San Francisco's gay and lesbian performing arts organizations. For over ten years, they have kept lesbian and gay culture alive and growing. They have performed hundreds of times on behalf of the city's many social and health services organizations and have struggled to survive when the community's support needed to be directed toward issues of life and death.

We honor them for their uniquely, gay/lesbianesque creativity and talent.

JON SIMS CENTER FOR THE PERFORMING ARTS MEMBER UNITS

City Swing with Gail Wilson

S.F. Flag Corps

The Flag Corps develops and presents original choreographed routines at parades and concerts. Performing alone or with the Band, they have a versatile repertoire

that goes far beyond traditional flag routines. Over the years, they've performed with such items as circus props, hula hoops, and giant snowflakes.

City Swing, an 18-piece big band with vocalist Gail Wilson, has cherry-picked the "books" of swing era greats including Basie, Ellington, Kenton and Glen Miller, recreating the sounds of the big band era. The band has charmed audiences and received rave reviews from San Francisco to Vancouver, British Columbia. They have played San Francisco night spots such as Bimbo's, 365 Club, as well as the Meridian, Nikko and Miyako hotels. City Swing has also performed at events such as the Beaux Arts Ball, the Folsom Street Fair and Mayor Art Agnos' Inaugural Ball.

Gail Wilson has endeared herself to many audiences with her distinctive singing style, originality and energy. A former cabaret and stage show veteran, she has appeared with City Swing for six years, entertaining audiences with her unique interpretations of special arrangements by Artistic Director Wayne Love, as well as standard big band arrangements. Ms. Wilson is committed to her community and recently served as honorary co-chair of the AIDS Emergency Fund.

S.F. Lesbian/Gay Freedom Band

When Jon Sims led the San Francisco Gay Freedom Day Marching Band & Twirling Corps up Market Street in the 1978 parade of the same name, little did he know that he had created an entirely new form of artistic expression, one that would blossom to 22 cities involving hundreds of musicians. Now called the **San Francisco Lesbian/Gay Freedom Band**, Jon's legacy is alive and well in its 15th year. The Band has performed in hundreds of parades, concerts, and community spirit events, carrying its musical message to gay and non-gay audiences throughout the Bay Area and across North America. The San Francisco Lesbian/Gay Freedom Band is honored to have been chosen by the Cable Car Awards Committee as one of the few members of its Hall of Fame. We think Jon Sims would be proud!

San Francisco Tap Troupe

The **San Francisco Tap Troupe** first appeared in 1980 as part of the Jon Sims Center production *A Night at The Movies*. Since that time, twelve years ago, the Troupe has performed throughout California from the Hollywood Bowl to Expo 85 in Vancouver, B.C. The Troupe has produced numerous stage productions as well as performing at hundreds of conventions, fundraisers and special events. In the last three years the Troupe has focused on diversity and experimentation mixing tap, jazz and ballet in two successful concerts, *Then & Now* and *SETS a Workout*. 1990 was a banner year for the troupe with the Gay Games performance in Vancouver, showcasing 10 years of the Troupe's best work. Winning the 1991 Cable Car for Dance moves us firmly into the 90s. Concepts, ideas and possibilities loom on the horizon.

Vocal Minority

Established in 1981, **Vocal Minority** is now in its second decade of performing and is stronger than ever. Under Artistic Director Wayne L. Love (who took the reins in 1989), the "new" VM has made a commitment to precision ensemble singing, with a repertoire that includes popular forms of music throughout the ages. VM's recent appearances have included collaborations with San Francisco's favorite big band "City Swing" as well as the production of an original theatrical revue (*On the Street Where We Live*) celebrating the works of Broadway legend Alan J. Lerner. Always a community servant, VM was the featured musical group at 1991's Mobilization Against AIDS Candlelight March and was hailed as a "crowd favorite" at January's Inaugural Celebration for new San Francisco Mayor Frank Jordan.

LESBIAN/GAY CHORUS OF

SAN FRANCISCO

The oldest continuing mixed voice chorus in the country, the Lesbian/Gay Chorus of San Francisco continues to demonstrate the power and joy inherent in a united community. The Chorus motto, *Together in Harmony*, is indicative of the spirit of family that the women and men of the Chorus share with each other and the community at large.

Founded in 1980, the L/GCSF has performed in holiday concerts, Gay Pride events, AIDS fundraisers, Gay Games ceremonies, hospitals, senior centers, and at other community events. While most of its activities are local in focus, the L/GCSF has not confined its message of strength through togetherness to the Bay Area. Chorus members joined the 1987 National March on Washington D.C. and in 1989 the Chorus flew to Seattle to perform for and with forty

other lesbian and gay choruses from the United States and Canada. In June of 1992, the Chorus will join some 70 other lesbian and gay choruses in Denver, Colorado for the international gathering of GALA; Gay and Lesbian Association of Choruses.

The Lesbian/Gay Chorus of San Francisco music changes with the seasons, but the intent remains the same: In Harmony ... men and women raise their voices and join hands to share the power and love they find singing and working together!

MÉNAGE

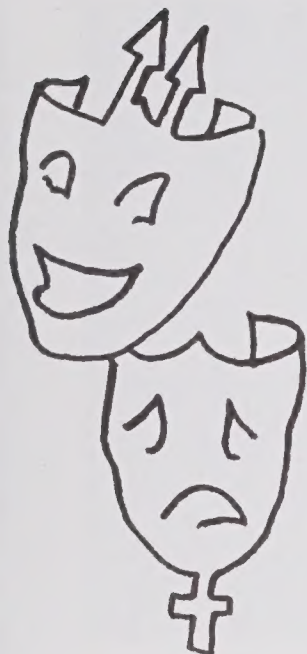

Organized in October 1986 as an ensemble of the Lesbian/Gay Chorus of San Francisco. This sizzling, slick octet has performed at various functions throughout the Bay Area and has been nominated for the San Francisco Bay Area Gold Award and has received two Cable Car Awards for Outstanding Performing Group as well as being nominated this year. Special appearances have included The Closet Ball, the Domestic Partners' celebration at City Hall, San Francisco APEX Sports Awards, and countless AIDS benefit fundraisers. When you think of Jazz ... when you think slick presentation ... when you think of fun ... THINK Ménage!!!

SAN FRANCISCO GAY MEN'S CHORUS

The San Francisco Gay Men's Chorus, the world's first proudly Gay chorus, celebrates its 14th anniversary in 1992. Under the baton of Dr. Stan Hill, the Chorus recently released the recording *How Fair This Place*. June 12 and 13 the SFGMC presents the San Francisco premiere of John Corigliano's *Of Rage and Remembrance*, with orchestra. The Chorus also performs in Seattle and Denver this year. The San Francisco Gay Men's Chorus is proud to be part of the Gay and Lesbian community in this extraordinary city, and is deeply honored to be a part of the Cable Car Awards this evening.

THEATRE RHINOCEROS

Theatre Rhinoceros is the premiere lesbian and gay theater organization in the world. Founded in 1977, Theatre Rhinoceros has presented over 100 mainstage productions on a multitude of topics. Rhino's body of work covers a range of issues, and includes many unique voices from within the lesbian and gay community. The 1992-93 season will mark Theatre Rhinoceros' 15th year in breaking new ground and brushing aside old barriers.

VOICES: BAY AREA LESBIAN CHORAL ENSEMBLE

VOICES: Bay Area Lesbian Choral Ensemble in its fourth year is becoming recognized as a vital member of the Bay Area's performance community. 1992 marks the second year of musical direction by Melanie De More, who is herself an established singer/songwriter, and an assistant director of the Oakland Youth Chorus. VOICES' goal is to achieve musical excellence as a visible lesbian organization. Its repertoire is consistently eclectic, ranging from jazz to madrigals and from contemporary to folk. The common factor in these choices is a desire to have music that reflects and inspires women's lives.

Telecommunications is creating a new age—the Information Age. Invest in the G.T. Global Telecommunications Fund, and *you* can take advantage of:

- 1** New communications technologies creating new industries and significant investment opportunities.
- 2** Emerging markets in Latin America and Eastern Europe establishing modern telephone utilities for the first time.
- 3** Many formerly state-owned telecommunications companies are now publicly traded, from Hong Kong to Mexico, from the U.K. to Venezuela.

\$500 minimum (\$100 for IRAs).

☐ **YES!** Please send me your free Special Report, with a prospectus for the G.T. Global Telecommunications Fund, containing more complete information, including charges, expenses and the risks of global investing. Share price will fluctuate and may be more volatile than funds that invest across many industries. Please read the prospectus carefully before investing.

What Makes a Hot 'N' Hunky® Milkshake So Damn Delicious?

We start with a generous portion of Dreyer's Grand Ice Cream. Add premium flavorings* including Hershey's Chocolate Syrup, then blend it with fresh whole milk. We serve it the old-fashioned way with the extra on the side (in-house only) and real whipped cream.

*Other flavors include Vanilla, Strawberry, Coffee and Mocha.

It has to be delicious . . . we do it just for you!
